INFORMATION DISCLOSURE STATEMENT

S I R:

In compliance with the duty of disclosure under 37 C.F.R. §1.56 and in
accordance with the practice under 37 C.F.R. §§1.97 and 1.98, the Examiner's attention is
directed to the documents listed on the enclosed Form PTO/SB/08a. Copies of the listed
documents are also enclosed.

The cited reference (US 4,958,341) was previously listed in the IDS filed on
October 25, 2001 (Reference AB); however, there was a typographical error in entering the
number. Nevertheless, this reference was cited in the International Search report (dated April 25,
200), a copy of which was filed with the application on June 29, 2001. Accordingly, the
typographical error should have been apparent.

In view of these facts, it is believed no fee is due in connection with this IDS. However, if any fee is due, it may be charged to our Patent and Trademark Deposit Account No. 03-2412.

In accordance with 37 C.F.R §§1.97(g) and (h), the filing of this Information Disclosure Statement should not be construed as a representation that a search has been made or that information cited is, or is considered to be, material to patentability as defined in §1.56(b), or that any cited document listed or attached is (or constitutes) prior art. Unless otherwise indicated, the date of publication indicated for an item is taken from the face of the item and Applicant(s) reserve(s) the right to prove that the date of publication is in fact different.

It is respectfully requested that the above information be considered by the Examiner and that a copy of the enclosed Form PTO/SB/08a be returned indicating that such information has been considered.

Respectfully submitted,
COHEN, PONTANI, LIEBERMAN & PAVANE
